Who We Are

The Mundaring Football Club (Mundaring FC) is a flourishing club located within the Perth Hills district. The club has been a focal point in the Hills sporting community for over 60 years and currently plays in the Hills Football Association (HFA).

Our people are the cornerstone of our club. From the players to the administrators, members to volunteers, we're extremely proud to say that all who are involved with our club belong to a passionate and caring community. They are individuals of solid character, with positive attitudes to match

It's a trait that is unique to our club that so many people that spend even just one season of involvement with the team continue to maintain such solid connections with the club and its members.

How We Are Different

With an eye to the future, the Mundaring FC Committee has devised a strategic plan designed specifically to grow, maintain and nurture our passionate community of supporters.

Some key elements include:

- Affordable non-playing membership - with a members database maintained, regular club correspondence and annual renewals sent out to all members.
- Active monitoring and maintenance of a club facebook page. Our people have already embraced this concept strongly and a quick view of the page will confirm the many interactions between our growing network of people.
- Last year we set up a brand new club website showcasing our history, achievements, club news and life members. Unlike many community based sports clubs, our website is a dynamic one... with new features and content regularly coming on board.

How Sponsorship Will Benefit Your Business

As a result of our people and our planning, Mundaring FC is in the unique position of being able to give your business real and genuine promotion to the wider community.

Unlike most sporting clubs who are limited to ground signage and passing verbal acknowledgements, sponsorship of Mundaring FC will give your business meaningful access to a growing network of people who understand the importance of supporting our sponsors. In addition, the variety of promotional platforms we can provide ensure that you will get maximum impact for your sponsorship dollar.

With a view to creating genuine value, we have limited our key sponsorship opportunities in terms of the numbers offered. As a sponsor of our club, your business will not be drowned out in a sea of additional advertisements.

Gold Sponsors

General Benefits

In addition to the Primary Benefits selected, all sponsors receive the complete complement of our General Benefits as part of their sponsorship.
